

# Amazing Traffic

T.J. Rockinstein is looking for a new guitar. Help him get to Rockin' Reggie's guitar shop through the crowded streets. Solve each fact. If your quotient is an odd number, you are probably going the right way.

A maze with 15 math problems placed at various points. The problems are:

- $27 \div 3 =$
- $14 \div 2 =$
- $18 \div 3 =$
- $10 \div 2 =$
- $12 \div 2 =$
- $18 \div 2 =$
- $6 \div 3 =$
- $8 \div 2 =$
- $6 \div 2 =$
- $12 \div 3 =$
- $9 \div 3 =$
- $4 \div 2 =$
- $21 \div 3 =$
- $24 \div 3 =$
- $15 \div 3 =$
- $16 \div 2 =$
